

Fringe Central programme

[illegible]

Hello and welcome!

This is the Fringe Central Programme – a programme of free curated events for all registered artists and accredited professionals during the Fringe.

This year, the [Fringe Central programme](#) is made up of three key strands:

Learn

Events focused on learning something new from one of our partners

Develop

Events focused on professional development, looking beyond the Fringe and making professional connections

Connect

Sessions focused on connecting with your Fringe Community

How to register your interest and attend events?

All of our events are listed on [Fringe Connect](#), our year-round digital platform for artists and industry professionals.

We ask that you register your interest to events in advance so that we can contact you with any changes or relevant resources, however, please note that events are first come first served on the day. You will need to have your participant pass to attend.
